Nostalgic Reverie
LUX Print Collection | Sept 10-Jan 5

Do you remember the farmstead where you grew up? Birthday parties with elementary school friends? Visits with your grandma and grandpa? Your favorite swing or toy? Or your first love?

"Nostalgic Reverie" draws on all those memories and more to let you travel in time and contemplate your youth and the wistful feelings when you think about your past. Some prints are sentimental while others are poignant, yet all are evocative visits to past experiences. "Nostalgic Reverie" curated by Susan Soriente features 18 prints from the LUX Print Collection and may be seen now through January 5, 2020.
