# Summer Camps!

Immerse your child in creative fun this summer at the LUX! Each day campers will explore new art techniques, work with real artists, and make their own artwork while learning and refining their own artistic abilities. LUX summer camps are led by our skilled teaching artists who will guide your child through hands-on learning in a fun and friendly environment.

**Camp Care**  
Add before care or lunch care to your child's camp registration! For full 8am-5pm care, add morning care, the morning camp of your choice, lunch care, and the afternoon camp of your choice, to your cart online.

# FAQ's

## How do I register for camps?

The best way to enroll in camps is to visit [LUXcenter.org/camps](http://LUXcenter.org/camps). You can also call 402.466.6892 or stop by the LUX to register. Full payment is required at registration.

## How much do camps cost?

LUX offers a variety of options and you can build the camp day for your child that fits your schedule. We offer 9 a.m.-noon camps, 2-5 p.m. camps, and 8-9 a.m. care as well as noon-2 p.m. care. You can sign up for morning care, a morning camp, lunch care, and an afternoon camp, or any combination that fits your needs. Camp and additional care are all priced separately. Purchasing a \$70 LUX Family Membership will get you a 20% discount on camp price and lasts for 12 months. If you are registering for multiple camps it pays for itself pretty quickly.

Painting/drawing/STEAM camps cost \$125 or \$120 for LUX members. Clay/Sculpture/Metalsmithing camps cost \$150 or \$120 for LUX Members. 8-9 a.m. care costs \$20 for the week and noon-2 p.m. lunch care costs \$40 for the week. LUX does not have multi-child discounts and does not prorate camps if your child has to miss a day.

## How old does my child need to be to enroll in a camp?

LUX camps are offered in three age groups: ages 5-8, 9-12, and youth ages 13+. These are more of a guideline than a requirement. For example, if you have a mature 12 year old who would prefer to be in an ages 13+ camp, that is okay. We also prefer that 5 year olds have completed kindergarten as having basic classroom skills is important for a successful camp experience. The one requirement we really stick to is that your child must be at least 9 years old to learn the pottery wheel, age 10 is even better as the person throwing has to be physically large enough to push the clay around.

## What does my student need to bring or wear to camp?

We like our campers to wear comfortable clothes and shoes that you won't be too upset if they get stained. Students get very immersed in the art making process and sometimes messy! Many art supplies can stain clothes. We also ask that students bring a plain t-shirt to screen print a camp shirt and a reusable water bottle with their name on it. We do have water fountains but they are not in each classroom. Those enrolled in lunch care also need to bring their lunch in a container with their name on it. Lunches will be stored in a refrigerator.

## What happens if I need to cancel or reschedule my child's camp?

If you need to cancel or switch camps, please notify the LUX as soon as possible. Notifying thirty days prior to the start date will result in a full refund, minus a 5% credit card/handling fee. Notifying two weeks prior to the start date will result in a LUX credit for the full amount of the original payment. This credit can be used on any other LUX class in the next 6 months. If you cancel less than seven days prior to the class start date your original payment amount will be credited as a donation to the LUX Center. When you register your spot is held for you and such short notice makes it impossible to fill that spot as camp registration is closed one week before camps start to provide our artist instructors with accurate class enrollment. Please understand our cancellation policy helps us enforce the highest standards.
